We have a playground with petting zoo including many miniature horses to enjoy. You will have room for an evening walk and enjoy the most beautiful sunsets and sunrises imaginable. This is a wonderful area for trailing through woods, across levees, and through water if you desire, or just a nice, long ride in the open. The Mississippi River is just across the road with boat ramps, etc. available. \$10 per night per horse, \$15 per night for RV hookups. Come and enjoy Harmon Acres Horse Ranch (children and pets welcome)
